Collectively, they possess 67 years of professional musical experience, which includes dozens of recordings, over 60 festival performances worldwide, and thousands of musical engagements.

Trio de Janeiro is the result of their shared love of Brazilian music, in all its diverse forms. Samba jazz, bossa nova, maracatu, baião. True Brazilian music.

Wayne Maureau plays drums and percussion, Mike Lemmler plays piano, and Ray Moore plays sax and flute. Together, they take you on a musical tour of Brazil. You can almost taste the *caipirinha* and hear the waves on the beach at Ipanema!
